### **BINGO**

We will have BINGO on October 8th @ 7:00 pm. Please bring your family and friends. The more we have, the BIGGER the prizes. We will serve dinner at 5:30-8:30 PM. Bring your mask and use safe distancing.

Sunset Members,

We have had a great September and are looking forward to a great October as well. We will continue to be holding Bingo once a month due to low participation when we were doing it weekly. Once participation increases, we will start doing it more frequently. We had a good time with our wine and bourbon tasting and welcome anyone who wants to join us next time we have one. We have been having some busy nights, so even though it is not required we recommend making reservations ahead of time. Just a couple of reminders; we are back open full swing for lunch and dinner, no outside food or beverages are allowed on the club premises, and non-members must be accompanied by a member. Here is a list of events and our hours of operations for dining.
